

PRANAV CHAUDHARY

Frontend Developer

[PHONE] | [EMAIL] | github.com/pranav72chaudhary | pranav72chaudhary.github.io

PROFESSIONAL SUMMARY

Entry-level Frontend Developer with hands-on experience building responsive web interfaces using HTML5, CSS3 and Vanilla JavaScript. Built and deployed a complete portfolio application from scratch, implementing interactive UI, client-side validation, responsive layouts and Git/GitHub-based development workflows.

TECHNICAL SKILLS

Languages & Web: HTML5, CSS3, JavaScript, Responsive Web Design, Semantic HTML

Frontend: DOM Manipulation, Event Handling, Form Validation, Interactive UI, Accessibility

Tools: Git, GitHub, GitHub Pages, Browser Developer Tools, Debugging

PROJECTS

Personal Portfolio Website

HTML5 • CSS3 • Vanilla JavaScript • Git • GitHub Pages

- Developed and deployed a responsive portfolio website from scratch with a structured HTML/CSS/JavaScript architecture.
- Implemented project filtering, smooth navigation, active navigation states, contact-form validation, CV download, back-to-top functionality and an interactive certificate viewer.
- Built responsive layouts for desktop, tablet and mobile breakpoints with attention to accessibility, maintainability and consistent user interaction.
- Managed source code with Git/GitHub and deployed the production site using GitHub Pages.

Luxury Restaurant Website

HTML • CSS • JavaScript • Responsive UI

- Developed a responsive restaurant website focused on visual hierarchy, refined typography, immersive interactions and a premium user interface.
- Applied responsive layout techniques and consistent UI patterns to deliver a polished experience across screen sizes.
